- 1) Maximum data volume per calendar month. Unused data expires at the end of each month. For unlimited data plans, our Fair Use Policy applies. Maximum speed is up to 300 Mbit/s and depends on factors such as network congestion and signal quality.
- 2) Your internet connection always stays active so cameras and smart home devices continue to work at all times.
- 3) The setup fee includes the loan of the router, which becomes your property after two years.
- 4) Only the calendar days on which you actually use the internet are charged. Our system detects this automatically. No manual activation or cancellation is required.
- 5) A maximum of € 59.90 per calendar month will be charged. Once this amount is reached, no further fees will be charged during the current month, regardless of additional usage.
- 6) There is no fixed contract term. The contract runs for an indefinite period and can be cancelled at any time with 14 days' notice effective at the end of the month.
